VILLA ANTILLA

HOTEL & THALASSO

BUSINESS & WELLNESS BY THE SEA

“A place to connect, work and unwind”

The only Thalasso hotel on the Basque coast: an ideal refuge to disconnect from stress, recharge your batteries and perform at your best in an idyllic setting that combines wellness and nature.

Navigation Chart

Our Heading

“Escape, disconnect, enjoy…” is our motto, and we sail at full steam to bring it safely into harbour.

Our Crew

We pride ourselves on warm, professional, personal service. It's the result of a crew with outstanding skills, who love their work and row together as a team, with passion, pushing themselves further every day to reach excellence.

Our Ship

The building is designed like a ship, with 50 cabins and their own terraces. Conceived as a cruise liner, its lounges and wellness and leisure spaces are its heart, fully equipped for the enjoyment of every guest on board. Its deck is a spectacular garden facing the sea. It's not by chance that it's called Ocean Club…

Our Onboard Compass

We're committed to a sustainable cruise, respectful of the environment, our surroundings and our culture.

We sail with the wind at our back, favourable for creating a “Slow” experience, far from the stress and frantic pace that define modern life.

We embrace and respect diversity. For the Villa Antilla crew, people are simply people, and we respect them without labels.

Our Harbour

We're moored in one of the finest coastal areas of the Basque Country, right by the beach, in the pretty village of Orio, deeply rooted in a strong tradition of rowing and fishing.

“We can't wait to welcome you aboard”
